

NEWSLETTER 2011

2011 has been a busy year for JEM Tennis. Membership has continued to grow steadily and we would like to thank our members and regular players for their continued support.

We have suffered this year with the poor weather and government funding cutbacks so we are keen to attract sponsors. We have various sponsoring opportunities to suit all budgets from sponsoring an event or a more comprehensive package. If you know anyone who would be interested please contact Colin.

All of us at JEM wish you a happy Christmas and a Happy New Year!

We have so far hosted two Tennis & Paella afternoons for the local Spanish Association. Both were a huge success and we hope to continue hosting a monthly Spanish Tournament in the following year. Everyone is welcome to come along, the paella and Sangria is delicious!

The Pro Shop is now open in the Pavilion.

We have a comprehensive range of rackets, shoes, clothing and accessories for all racket sports including tennis, badminton, squash and racketball. We offer a professional service at guaranteed lowest prices.

We also provide a reasonably priced, next day restringing service.

Ideal for Christmas presents or stocking fillers. Come in for a browse!

Earlier this year we were accredited with the LTA Beacon Status in recognition of the fun and affordable tennis experience that our facility offers the local community. We become one of the first 75 park and community tennis sites to have been awarded the status.

We are dedicated to creating a fun and exciting environment for our juniors. We are pleased to have HugoFox.com as our new junior events sponsors and held a mini tennis tournament and family BBQ for our Mini JEMS.

We are one of the first clubs to adopt the new LTA Mini Tennis structure, please look at www.lta.org.uk/LTA-Mini-Tennis for more information.

JEM Tennis, Hamble Community Sports College, Satchell Lane, Hamble, Southampton, SO31 4NE
